Spring and autumn are especially good times to visit the trail. In spring, the last traces of snow can be seen among new greenery and flowers bursting into bloom. In the fall, hikers can enjoy the brilliant colours of autumn leaves. In the fall, hikers can enjoy the brilliant colours of the autumn leaves. The trail is well sign posted and doesn't get over crowded with visitors.

Parts of the trail open Mid-May, with the whole trail open from end of June to the end of October
